

History

We shall be studying the Benin Empire - the West African Empire. We shall be studying the culture in Nigeria and how the small groups of people rose up to be a powerful Empire.

Computing

We shall be looking at our using and applying skills: internet safety; logging into DBPrimary; how to save work on our school system and cyber bullying,

Science

We will be studying light. We shall be looking at the physics of how light is produced, light sources, reflection and refraction and eventually move onto the Science of sight. We shall be writing poems based on our Scientific knowledge of light and links to Africa and the landscape. We shall include many practical investigations including making periscopes and making eye tricks.

Discreet

P.E. - African Dance
(Tuesday)
P.E -PROJECT SPORT
(Thursday)
PE kits should be in school every day.

Literacy

We shall be looking at George's Marvellous Medicine and Harry Potter. We will be writing poems about light (linked to Diwali and Science). We shall also be learning as many new grammar techniques as possible.

Excellent Eagles
How do small communities rise up to become an empire?

Numeracy

We will be focusing mainly on Number and place value including:

- Th, H, T, U, t, h.
