

LITERACY

We will be writing labels, lists and captions as well as writing our own stories. We will focus on Supertato and Superworm to inspire our story writing.

Children will take part in daily phonics and guided reading sessions, as well as practising handwriting and spellings. We aim to listen to your child read 1:1 twice a week. Please ensure reading books and records are in school every day.

NUMERACY

This half term we will cover a range of areas which will include: number and place value, addition and subtraction, shape, measurement (length and height).

SCIENCE

Our focus in Science is our bodies. We will be looking at body parts and senses, as well as understanding evolution and inheritance. We will perform simple tests, identify and classify and record data

PE

PE sessions will take place on Tuesday and Thursday afternoons. On Tuesdays we will take part in Athletics. We will practise sprinting, hurdles, long jump and shot put. On Thursday, children will be taking part in sessions with Andy from Project Sport. Please ensure children have appropriate clothes and footwear for both indoor and outdoor sessions

MARVELLOUS MEERKATS

AUTUMN 1

WHAT MAKES US SUPER?

FRENCH

Children will be introduced to our French friend Camembear and we will begin to look at greetings and introductions.

HISTORY

In History we will be looking at heroes from the past, with a focus on the Suffragettes.

DT

This half term we will design, make and evaluate Superhero Spoon Puppets. These will be used to help us tell our stories. Children will use a range of different tools and materials to make their puppets.

ART

Our focus this half term will be 'Portraits'. We will practise a range of different techniques including sketching, using colour, collages, watercolours and pop art.

OUTDOOR LEARNING

Children will take part in outdoor learning on a Tuesday afternoon. Please ensure that appropriate shoes (old trainers/wellies) are provided for these sessions.
