

LITERACY

In literacy we will be listening to stories with increasing attention and recall, joining in with any repeated refrains.

We will also be looking at giving meaning to the marks we make through drawing pictures and beginning to form letters.

NUMERACY

In numeracy we will be focussing on numbers 1-10, making sure we can count reliably with both objects that can and cannot be moved.

We will also be looking at basic 2D shapes

PHONICS

Your child will take part in a daily phonics lesson, followed up with appropriate activities. Nursery children will be looking at Phase 1 sounds this term and Reception will be consolidating their knowledge of Phase 2 sounds.

Please feel free to see me if you would like any more information regarding phonics.

PHYSICAL DEVELOPMENT

This half term we will have a big focus on fine motor skills, through a variety of different activities. Focusing on fine motor skills will give the children the ability to manipulate their fingers when they begin to write.

We are also looking at healthy foods and why we need a varied diet. This will coincide with the stories we are reading this half term (The Very Hungry Caterpillar and Oliver's Vegetables).

TERRIFIC TIGERS

AUTUMN 1

FANTASTIC FOOD

PERSONAL, SOCIAL AND EMOTIONAL

Our main focus this half term will be settling into school and beginning to make friends. We will look at how to be kind to people and how to play alongside each other nicely, through circle time activities.

UNDERSTANDING THE WORLD

We will be looking at things that make us unique and the differences between our cultures. In order to do this we will be working alongside parent's so please look out for letters detailing different ways we can help get your child involved.

PE

Our PE days will be Mondays and Tuesdays. We will be focussing on different ways to move and how to use some apparatus safely.
