

### History: Ancient Egypt

Through our topic work, we will:

- understand what was important to people during ancient Egyptian times.
- compare the powers of different Egyptian gods.
- find Egypt on a map.
- raise questions when confronted with an artefact in order to understand more about this ancient civilisation

### Science : Physics

### Forces and Magnets

In this unit we will identify pushes & pulls as forces & explore how things move on different surfaces. Find out about attraction & repulsion by magnetic forces & which materials are magnetic. Look at compasses & uses of magnets. Carry out some enquiries using magnets.

### Maths

Addition and subtraction  
 Multiplicaiton and division  
 Properties of shapes  
 Measurement (Time)  
 Measurement (Money)

*Winter Overview 2017*

*The Wonderful Wolves*

# Why is everyone in my class important?

### Music

Recorders

### DT

Design and make a sarcophagus

### Computing

Algorithms (programming and debugging)

Not taught this

half term  
Geography  
Art  
RE

### PE

Gymnastics (Monday)  
Swimming (Wednesday)

### Literacy

Poetry Myths  
Non-chronological Reports  
GPS (Grammar, Punctuation & Spelling)
