

Literacy

Children will read a variety of Traditional Tales including The Gingerbread Man, Jack and the Beanstalk and the Three Little Pigs.

- Write stories with imaginary settings
- Write stories and plays that use the language of fairy tales and traditional tales.
- Write stories that mimic significant authors
- Write instructions
- Write recounts

Science

Our focus in Science will be Plants and Healthy Eating. We will observe plants, seeds and bulbs. We will plant our own seeds and look at life cycles and what plants need in order to grow.

As part of our topic, we will look at the different food groups and what we need to stay healthy.

Numeracy

This half term, we will focus on:

- Shape
- Multiplication
- Division
- Addition
- Subtraction
- Measurement (mass)
- Money

Art

We will study LS Lowry and his work. We will look at the colours used in his work, perspective, buildings, matchstick figures and we will create our own city collage.

Marvellous Meerkats

Spring 1

Where does our food come from?

PE

PE will continue to take part on Tuesday and Thursday afternoons. On Tuesdays, our focus will be dance. On Thursdays, sessions will be run by Project Sport.

DT

We will find out where our food comes from and look at healthy recipes. Children will design and create a range of different salads. We will learn how to wash, peel and chop a variety of different fruits and vegetables. We will taste and evaluate our products.

Geography

Our focus is our local area, as well as looking at the world. We will look at where we live and name the different countries of the UK. We will then use maps and atlases to locate continents and oceans.

French

We will learn how to say the different parts of the body in French as well as food items.
