

History

We shall be learning about WW1 and the major events throughout the war. We will look closely at the role of woman around this time and the change of woman's roles. We shall also begin to learn about WW2 towards the end of the half term.

Computing

We shall be looking at computer usage, saving work and our school network. We shall also try to create our own comic strips using ipads and computers.

Discreet

P.E - Tuesday and Thursday
PE kits should be in school every day.

Literacy

Narrative writing linked to Billy and the Minpins; non-chronological reports on WW1; plus recounts linked to woman in war. Our artwork will also lend itself to poetry.

Excellent Eagles

War: what is it good for?

Science

We shall be looking at electrical circuits (building on work carried out in the Wonderful Wolves class). We will focus on voltage, investigating circuits and different types of switches.

Art

We shall be looking at 'Blackout Poetry' leading into collage and work on Remembrance Poppies.

Music

We shall also be learning the songs for Young Voices. The letters for this event (in January) will be going out to parents soon with all the details.

Numeracy

We will be focusing mainly on Number and place value including:

- Th, H, T, U, t, h.
- Ordering large numbers
- Rounding Numbers
- Decimal Numbers
- Numbers in real life context
- The four operations.

Subjects not covered this half term:

Geography

D.T

French
