

Literacy

Our Literacy topic will be linked to our Circus topic. We will be reading lots of different books linked to the theme. We will focus on writing:

- Labels and captions
- Recounts
- Posters
- Poetry

Science

Our focus in science will be 'Our Bodies'. We will focus on:

- Body parts
- Senses
- Exercise
- Healthy eating
- Growing and changing
- Basic needs

Numeracy

This half term, we will focus on:

- Number and place value
- Addition and subtraction
- Properties of shape
- Measuring length and height
- Multiplication and division

Children will take part in daily times-table practise.

Geography

We will be learning all about the UK. We will name and locate the four countries, their capitals and famous landmarks. We will also compare the countryside to the city and compare the UK to other countries.

Marvellous Meerkats

Autumn 1

What would your circus skill be?

PE

PE will take place on Wednesday and Thursday afternoons. Wednesday sessions will be 'multi-skills' where children will take part in a variety of activities such as throwing, catching etc. Thursday sessions will be led by Andy from Project Sport.

Art

In Art, we will be looking at colour. We will distinguish which colours are primary and secondary and which colours we can mix together to make secondary colours. We will explore colours using different techniques such as paint, pastels, collage and lots more.

Computing

In computing we will be learning word processing skills. Children will learn to type, save their work, edit, undo, redo, select and format.

RE

Our focus will be 'looking after each other'. We will listen to stories from different religions to help us learn how we can look after others.
