

# Hade Edge School

## Marvellous Meerkats Autumn 1 Homework

*What would your  
circus skill be?*

## Homework at Hade Edge School

Homework will be based on our topic work and all children are encouraged to take part. We would like the children to create a piece of work linked to our current topic.

There are several suggestions on the opposite page as to what homework might look like, but please remember that your child can do **ANYTHING THEY LIKE** relating to our topic. This could be a posters, art work, collage, written report, poem, story, model making, Powerpoint, dance. The list really is endless. We often find that children come up with amazing ideas we would never have thought of! This is their opportunity to be creative and let their imaginations lead their homework.

Children will present their in class during the last week of this half term. The homework project can be completed at any time throughout the half term. We simply ask that all projects are brought into school in the last week of term (w/c 22nd October) ready for our 'show and tell' session.

Please read the back page of this leaflet for further advice on how you can support your child at home.

If you have **ANY** questions about homework please speak to the class teacher.

Thank you for your continued support.

## Marvellous Meerkats Challenge Task

This half term we are learning all about the Circus

We would like the children to fully embrace our topic by exploring the theme and presenting their findings to the class.

### Ideas and suggestions...

- Design and/or make a circus or circus act
- Design and/or make a puppet of a circus act
- Create a circus model using Lego
- Time-line of the circus
- Report on the history of the circus
- Biography of a famous circus star
- Create a newspaper report on a circus related event
- Interview someone who has been to the circus
- Write/perform a poem about the circus
- Film an advert for the circus
- Make a clown out of 2D shapes
- Symmetry work using clown faces
- Learn and perform some circus skills

## Homework Non-Negotiables

In addition to the termly homework, we firmly believe that children need to consolidate key skills by completing these tasks...

### **READING**

It is important to listen to your child read for 10 minutes **every** day. Discuss the book together, making predictions and links between books that have been read previously.

### **SPELLINGS**

Identify which of the high frequency words and common exception words your child struggles to spell and focus on these. Spelling tests will take place each Friday.

### **TIMESTABLES**

Children in the Marvellous Meerkats should have a firm grasp of 2,3,5 and 10 x tables by the end of Year 2. Spend some time on a weekly basis exploring multiplication, division and problem solving skills.

If you have any questions AT ALL about what is expected, what you could do or how you might best help your child, please come and see the class teacher straight away. We will always be happy to help you.
