

Pupil Premium Strategy at Hade Edge J & I School 2018 -19

What is Pupil Premium?

Pupil Premium is the term given to money allocated to schools in their budget related to the number of children who are eligible for free school meals (FSM), looked after children (LAC), post LAC and armed forces children. The figure is calculated on any child in school who has been eligible for FSM in the past six years. The money is allocated to initiatives to ensure pupils reach their full potential both academically and socially.

For more details on the Pupil Premium please visit:

<http://www.education.gov.uk/schools/pupilsupport/premium>

If your child does not have free school meals, but may be eligible because of your family's income level, please contact the office (in confidence) to register them. Even if you do not wish them to have the meals, this would mean that school could still claim the Pupil Premium funding that may be used to help them.

Our Objectives

At Hade Edge J & I School we use our pupil premium funding to address three main objectives:

1. To support eligible pupils in making accelerated progress
2. To support eligible pupils with social skills & emotional needs
3. To enrich the lives of eligible pupils

At Hade Edge our priority is to 'narrow the gap' for the most vulnerable pupils who are not on track to meet expected outcomes for their year group. We also aim to support them with any social needs. We also recognise that not all pupils who are socially disadvantaged are registered or take up FSM. We try to ensure that all pupils who need support access the interventions set up for pupils who do qualify for Pupil Premium.

Provision

At Hade Edge we run 1 to 1 and small group interventions to support pupils. These groups support pupils with their learning and emotional wellbeing. The 1 to 1 support targets learning in small bursts to help plug gaps in learning. Group learning focusses on phonics and spelling, maths or reading. Each week social skills groups meet to help build friendships and to have time to discuss any home or school issues.

Hade Edge School pupil premium money also provides enrichment activities such as sports and the arts.

Improve writing through doing pre teach vocabulary before lesson, working 1 to 1 on planning and writing. 1 to 1 in class support Phonics programme Link worker between home and school Emotional group work social skills group Debating group Transition work | Small group reading and writing support ensured pupils achieved the expected outcomes at the end of KS2. 1 to 1 support has focussed on basic skills so the pupil can now access teaching at HHS. These sessions also looked at social skills and fine motor skills. A social skills group met weekly and helped pupils learn how to deal with different social situations and to give them confidence to move to High School. |
| Residential Visit to Robinwood | £200 | | Children could take part with their peers on a residential visit |
| Continuation of increased access to music tuition (Summer Term) | £150 | | Pupils were able to play an instrument throughout the year ins school and at ho |
| Toe by Toe - book | £22 | | Improved phonics |
| Busy Ant - on-line SEN resource | £80 | | This has helped children in their maths and has helped parents support pupils at home. |
| Nurture support within lessons | £600 | Pupil support within lessons and in designated time Support staff assigned to nurture activities with identified pupils | Pupils were given 1 to 1 support and small group support for their emotional needs. This helped pupils to approach each day calmly knowing that they had been able to speak of their worries. This ensured learning could then take place. Pupils also had peace of mind that they had someone to go to whenever they needed support. This support was also offered to parents to support home / school learning. |
