

## Geography: Land use

This unit on land use provides children with the chance to take a careful look at the places around them, and begin to look for patterns in land use.

## RE

What do Christians believe about a good life?

## Literacy

Recounts  
Explanation texts

# Spring I overview 2019 The Wonderful Wolves *Why do plants and animals reproduce?*

## French

Ordering food in a French café.

Not taught this  
half term

History  
Music  
DT

## Science: Plants

This unit will teach the class about everything they need to know about plants. They will learn the names of different parts of plants, and the jobs they do.

The children will work scientifically to investigate what plants need to grow well, and will present their findings to their classmates

They will identify the parts of a flower, and will explore the different stages of the life cycle of a flowering plant.
