

### Geography and History

We shall be looking at Earth and Space. We shall we be looking at the History of the 'Space Race' and the place of women in making it possible. We will focus on the Katherine Jenkins and we will watch 'Hidden Figures' to accompany our work.

### French

Our unit will be learning all about ourselves, describing ourselves our bodies and our families.

### PE

In PE, will be looking at invasion games and working with Project Sport.

### Art

We shall looking at the artist Jackson Pollock and making splatter pictures.

### English

In English, we shall be linking our writing to our Science topics of Space and Magnetism. We will be writing newspaper reports around space, writing letters of persuasion and sci-fi stories. We will also write poetry based on Space Travel and finding out what or who is really out there.

## Excellent Eagles

### Summer 1 and 2

Who is out there?  
What is out there?

### Science

We will be looking at Space: we will look at the relationship between the Earth, Sun and Moon and learn about the other planets. We will also investigate magnetism and explore gravity.

### Maths

In Maths, we will use SAT's week (WB May 13th) to assess progress in both Year 5 and Year 6.

We will also be looking at:

- reflection and symmetry
- word problems
- multi-step calculations
- revision for Year 6
- timestable knowledge

It is important that children practice their times tables every day.

### Music

We will be learning the songs and dances for our production (which will be announced soon). This will be performed in July.

### SRE

We will be talking about our changing bodies, looking at how puberty affects our bodies and appropriate relationships.
