

## Homework Non-Negotiables

In addition to homework, we firmly believe that children need to consolidate key skills by completing these tasks:

### READING

It is important to listen to your child read for at least 5 minutes every day. Discuss the book together, making predictions and links between books that have been read previously. By the end of the year, it is expected that children will be able to read and write the list of high frequency words on the sheet provided at the beginning of the year. Please practise a couple of words each week.

### SPELLINGS

In the Summer term children will begin to have spelling tests based on the high frequency words that the children have been practising reading at home and school all year. Time spent reading and spelling these words each week will stand the children in good stead for the tests.

### MATHS

By the end of the Reception year, it is expected that children will have a good understanding of numbers to 20. Play fun games to consolidate your child's understanding ...can they find 2 numbers that make 10? Can they work out doubles (up to 5) Can they say 1 more or 1 less?

Revised 09/17

# Hade Edge School

## Terrific Tigers Summer Term 1 & 2 Homework

## Colour

Homework should be brought to school week beginning Monday 8th July 2019.

## Homework at Hade Edge School

Homework will be based on our topic work and all children are encouraged to take part. We would like the children to create a piece of work linked to our current topic.

There are several suggestions on the opposite page as to what homework might look like, but please remember that your child can do **ANYTHING THEY LIKE** relating to our topic. This could be a posters, art work, collage, written report, poem, story, model making, Powerpoint, dance. The list really is endless. We often find that children come up with amazing ideas we would never have thought of! This is their opportunity to be creative and let their imaginations lead their homework.

Children will present their in class during the last week of this half term. The homework project can be completed at any time throughout the half term. We simply ask that all projects are brought into school in the last week of term ready for our 'show and tell' session.

Please read the back page of this leaflet for further advice on how you can support your child at home. We will no If you have **ANY** questions about homework please speak to the class teacher.

Thank you for your continued support.

Mr Kilner

## Terrific Tigers Challenge Task

This half term our topic is 'colour'. We will be looking at a number of stories with a colour theme, studying the artist Kandinsky as well as looking at colour mixing.

We would like the children to fully embrace our topic by exploring the theme and presenting their findings to the class.

### Ideas and suggestions...

- Partake in a 'colour run' and explain why exercise is important.
- Study a famous artist and have a go at creating some artwork.
- Visit an art gallery.

Or why not try something completely different...
