

## History

We will be looking at our local area and local history. We will be looking at significant changes that have happened in our area and changes that are being made now.

## English

We shall be looking at many topics in English including:  
descriptive writing, persuasive letter writing, information writing.  
We will focus on the book Matilda and on then on the theme of recycling.

## Maths

We will focus on:  
Place value  
Times tables  
Four operations  
Word Problems  
Reasoning tasks

## Music

We shall be learning our 'Young Voices' songs for our trip!

## Excellent Eagles

**What is our responsibility  
in the world?**

*Subjects not covered this half term:  
Geography, MFL,*

## Science

In Science, we will start by looking at changes of state (solids/liquids/gas). Then we will move onto living things and their environment. This latter topic will relate to our theme of people's affect on the environment and our responsibility to our area.

## Computing

The children will be mastering the art of Stop Motion on the ipads. They will create characters and film a story ensuring they are using the correct skills.

## Discreet

PE -

PE kits should be in school every day.

## Art

We shall be making sculptures from recycled materials. This will link to our topic later in this half term.

## R.E.

Creation Stories in relation to the celebration of Diwali.
