

## History:

### **The Anglo-Saxons & The Scots**

This unit will teach us about the invasions of the Scots and Anglo-Saxons in the 5th century. We will find out where the invading troops came from and where in Britain they managed to settle and then they will go on to investigate how life in Britain changed as a result. In addition to this we will also learn what life was like in a typical Anglo-Saxon village, what jobs people did and what the houses were like. We will also explore the Pagan beliefs of the early Anglo-Saxons and learn about the gods they worshipped.

## Science : Sound

We will learn how vibrations cause sounds and how sounds travel, as well as how sounds can change pitch and loudness. The children will learn about how sounds are made, carrying out demonstrations of vibrations, and completing a sound survey of their school.

They will have the opportunity to make a string telephone, and will use this to investigate how sounds change over distance and through different materials.

# How did the Anglo-Saxons change Britain?

## Maths

Addition & subtraction  
Multiplication & division  
Properties of shapes  
Measurement (Time)  
Measurement (Money)  
Decimals (Y4 only)

## Literacy

Recounts  
Poetry  
Character sketch  
Instructions  
GPS (Grammar, Punctuation & Spelling)

## DT

Sewing (binca)

## Music

Recorders

## PE

Swimming (Wednesday) & Gymnastics (Thursday)
