

Science: Physics: Electricity

The children will learn what electricity is and how it was discovered. They will identify which appliances use electricity in their homes and how to keep themselves safe. We will construct circuits, start to create pictorial circuits and conduct an investigation into how easily different types of switches can break and reconnect a circuit.

Why did the Egyptians worship Gods?

PE
Gymnastics
Yoga

History: Ancient Egypt

Through our topic work, we will:

- understand what was important to people during ancient Egyptian times.
- compare the powers of different Egyptian gods.
- find Egypt on a map.
- raise questions when confronted with an artefact in order to understand more about this ancient civilisation.

DT

In DT we will create and mummify a miniature Egyptian, then make a tomb for them.

RE

Creation stories.
